

THE EXPERIENCE

★ 2024 ★
SEASON

After the successful launch of **That's Showbiz: The Experience**, the Dance Design Events team are delighted to announce that we are bringing some dates to you for the new season!

Our regular season of That's Season will begin in September and so we are adding these one off Experience events in the Spring and Summer!

That's Showbiz: The Experience are individual events where WINNERS WILL BE CROWNED AT EACH EVENT!!! Yes, you read that right, you need to bring your 'A' game, no second chances at next stages in our Showbiz Experience events.

To our new principals, teachers and dancers...WELCOME! We would love to invite you to That's Showbiz and have you join the Dance Design Events family.

We make the entry process as easy as possible for you and even take care of the compulsory licensing requirements. As we are one of the very few production companies to have been approved by the Local Education Authorities all we need is details of your dancers and chaperones once and we look after the rest. We are transparent from start to finish with costs and we do not have a ticket stipulation at any of our events, so you only need to purchase tickets that you require. With the huge success of Dance iDDEntity, combined with the essential safeguarding elements, you can rest assured that you are entering the most fair competition in the industry.

For those of you involved in previous years of That's Showbiz..THANK YOU to each person who has been involved in some way - we couldn't be more grateful!

We look forward to seeing you in the wings...

Thanks for choosing us!
